Dresden. The Altmarkt or Market-Place is a fine open place, 110 yards square, in the centre of the town. Here is situated the figure of Germania, in memory of the war of 1870—71, modelled by Heuze, the Dresden sculptor. In the N. E. corner of the square is the Kreuz Kirche, one of the oldest churches of the town, the tower of which is 314 feet high.
